

# FUEL WARRANTY

---

National Biodiesel Limited warrants that all Soydiesel® blends up to and including B20 fuel supplied will meet the Commonwealth Fuel Standard (Automotive Diesel) Determination 2001.

National Biodiesel Limited warrants B100 Soybiodiesel® to meet the Australian Fuel Quality (Biodiesel) Determination 2003.

National Biodiesel warrants its product quality and confirms that it's B100 Soybiodiesel® and Soydiesel® blends up to and including B20 are fit for purpose products.

All fuel products supplied by National Biodiesel are covered under a Products Liability Insurance policy to an amount of AU\$20,000,000 on any one single occurrence.

## ***Claim***

For National Biodiesel to warrant the customers claim in relation to the quality of a product supplied by National Biodiesel the customer must:

- (i) Notify National Biodiesel Limited in writing of any claim it proposes to make, specifying the facts on which the claim is based, within two (2) working days of the alleged defect coming to the Customers attention or of the date on which the alleged defect reasonably ought to have come to the Customers attention,
- (ii) Use its best endeavors to minimise loss and damage arising from the alleged defect; and
- (iii) National Biodiesel Limited is given a reasonable opportunity to take samples, inspect and test the supplied Products in respect of which the claim is made;
- (iv) Prove that the alleged damage is the sole consequence of the use of fuel supplied by National Biodiesel Limited.
- (v) Have properly serviced and maintained the vehicle or machinery as required by the manufacturer throughout its full history.
